SAN DIEGO (CNS) — A move to get a 50 percent pay boost for the members of the County Board of Supervisors in the last weeks of the current session of the State Legislature failed Tuesday because two Supervisors refused to go along with the program.

The Dimmer View

by MAX GOODWIN

There's a gag about the man who arrived at the high state of bliss in his marital life. His wife makes only the small decisions; he is allowed to make the big ones.

His wife, says he, decides what to do with his paycheck, and what kind of car they are to buy, and the like.

He is permitted to make the big ones like whether Red China should be admitted to the United Nations!

Under family-granted prerogative of big decisions I have been studying a petition issued by the Committee Against Summit Entanglements (CASE).

CASE pleads simply: "Please, Mr. President Don't Go."

They list ten reasons why Mr. Eisenhower should stay away from "summit conference" with Kremlin tyrants. They say:

1. It will increase Soviet prestige.

2. It will discourage anti-Communists.

3. It will provide ammunition for appeasement-minded politicians.

4. The last "summit meeting" provided huge gains for the Soviets.

5. Experience demonstrates Soviet agreements are broken or ignored at their convenience.

6. The only question so far raised is how far we will give in to Soviet demands.

7. President Eisenhower is handicapped because his commitments must be ratified by the Senate. The Soviet Premier can make decisions with dictatorial authority. This puts the President in a weak bargaining position.

8. It is an unconstitutional way to conduct foreign affairs. Treaties must be entered into with the advice and consent of

Hutchens-Board Damage Suit Said Settled

An out-of-court settlement of a damage suit filed against the Cajon Valley Union School district board of trustees by Dr. Jens Hutchens has been reported.

Dr. Hutchens was fired by the school board on April 20 after a months-long attempt to force his resignation.

According to the announcement of the settlement of the suit, the school district will pay Dr. Hutchens \$3,998 to cover his salary from April 20 to July 1, plus fees for his attorney and costs of a superior court suit which he filed in an attempt to force his reinstatement.

As part of the settlement, Dr. Hutchens agreed to drop a claim for \$33,466 for loss of salary and future retirement benefits which he would have gained in the two years remaining in his contract.

Charges against Dr. Hutchens were said to have been limited to:

"Alleged misleading statements claimed to have been made by Dr. Hutchens in connection with official district business in his relations with the board;

"Alleged failure to carry out lawful and proper instructions, directives and orders of the board;

"And alleged improper political activities in two claimed instances."

Attorneys said that Dr. Hutchens "positively denied" all the allegations.

Still-secret "specific charges" against Hutchens are to be furnished to the new district school board on July 1.

That board will include two anti-Hutchens holdover members—Celestia Wooters and Bert Rees—

one pro-Hutchens holdover member—Bob Seward—and two pro-Hutchens new members—Harvey Hanenbourg and Robin Dvorak.

SAN DIEGO (CNS) — The Spring Valley Sanitation District will provide sewage service for about 50 acres within the City of San Diego, as the result of an agreement approved Tuesday by the County Board of Supervisors.

The Board agreed to supply the service to the city, in return for sewage service given by San Diego to county areas in Lemon Grove and around La Mesa.

Jean L. Vincenz, director of public works, told Supervisors, who are also directors of the Spring Valley district, that San Diego wants to connect an area east of Lomita Village to the Spring Valley district, that San

"The city suggests that service charges be based on a monthly house service connection, such service charges to be paid quarterly and the charges to be adjusted annually," Vincenz said.

Local Youngsters Among Prize Winners At Fair

Twelve local youngsters were among the 109 4-H Club and Future Farmers of America members who were honored with a party by The First National Bank and Savings Bank of San Diego Wednesday at the bank's El Cajon branch.

They were Susan Young, Susan Bierwirth, Barbara Cooper, Sheila Cosby, Diane Bierwirth, Ginger Jones, Michael O'Hare, Larry Lux, Michael Cosby, Alan Hobbs, Bob Shafer and Jack Zippwald.

The bank presented more than \$18,000 to the 4-H Club and FFA youngsters at the party. The money was paid to the boys and girls for their animals sold Saturday night at the Eastern San Diego County Fair. Jack W. Koop, manager of the Lemon Grove branch of the First National Bank, presented the checks to the local youngsters.

The highest price ever paid for a lamb in Southern California was paid to Sheila, who is 16 years old and a member of the Lemon Grove 4-H Club. She received a check for \$343 for her 98-pound lamb. The animal was bid at \$350 a pound by John Parrish and Orval Hagstrom of Santee Auction.

After making the bid, the buyers donated the animal to the

San Diego Crippled Children's Home. Santee Auction then resold the lamb for \$1 a pound to the San Diego Livestock Supply and donated this check to the San Diego Society for Crippled Children.

Results of the auction for the other children, listing child's name, type of animal, animal's weight, name of buyer and amount received was as follows: Susan Young, lamb, 96 pounds, Millers Dairy, \$40.80; Ginger Jones, swine, 194 pounds, Dairy Mart Farms, \$69.84; Michael Cosby, lamb, 84 pounds, Dairy Mart Farms, \$114.40; Susan Bierwirth, lamb, 104 pounds, San Diego Livestock Supply, \$46.40; Diane Bierwirth, lamb, 110 pounds, San Diego Livestock Supply, \$46.78; Barbara Cooper, lamb, 104 pounds, Food Basket, \$52; Alan Hobbs, lamb, 84 pounds, Dairy Associates, \$36; Michael O'Hare, lamb, 90 pounds, Miller's Dairy, \$36; Jack Zippwald, beef, 1,042 pounds, Mason's Feed, \$416.80; Bob Shafer, beef, 984 pounds, Shafer's Construction Company, \$393.60; and Larry Lux, lamb, 88 pounds, Rocky Home Guernsey Farm, \$35.20.

Budget Cuts To Pay For Salary Increases

The Lemon Grove School board cut \$58,000 from the 1959-60 budget Monday night and decided to use part of the savings for pay raises.

The cut was from all categories in the budget including requests for additional personnel. Teachers and classified

employees had asked for increases within the ability of the budget to carry such raises and proposed 5 percent increases for teachers and 4 percent for others. The school board set a special meeting for Monday to consider the proposals. Sampling of the board indicated that a counter offer of 3½ percent might be made. The budget will total approximately \$1,500,000 when it is finally approved. This should not change the tax rate, according to Paul Reynolds, school business manager.

The board also approved July 13 as the bid opening date for the new Mt. Vernon school. Byron Netzeley, school superintendent, said bonds already had been sold and a warrant for \$124,000 had been issued to the State as the district's share of the cost.

The bid probably will come in for about \$215,000, Netzeley said, but the district's share would represent only about a third of the total. Fees and equipment will add more than \$100,000 more to the state's share.

The new school will have eight classrooms, a kindergarten and an administrative office and should be ready for occupancy in February.

State May Pay Part Of Casa de Oro Road Widening Cost

SAN DIEGO (CNS) — The State Division of Highways is willing to pay part of the cost of widening and paving Campo Road, in Casa de Oro, the County Board of Supervisors was informed Tuesday.

The Board a week ago asked for state aid in the 1911 improvement act project being undertaken by local property owners, and David K. Speer, road commissioner, informed the Board the state had agreed. He said a cash contribution would be made, and the county would be permitted to supervise the construction.

Speer said negotiations had to be completed, but he recommended that the Board approve an amendment providing for the state contribution in its resolution of intention to start improvement act proceedings.

This was done, and a special assessment investigation report is to be made as soon as possible to Supervisors.

Supervisors were also told that the congestion on Highway 94, of which Campo Road is a part, can only be solved by freeway construction. The report came from the Division of Highways.

Property Owner Offers Easement To Avoid Condemnation

Jackson Ammons, 2635 Washington Street, Lemon Grove, against whom the County Board of Supervisors has ordered a condemnation suit to acquire a sewer line right-of-way through his Broadway at College property, told the Supervisors he was willing to give an easement at no assessment to his property.

According to Ammons, the right-of-way would serve several properties north of his property and north of the freeway. He said his property, already severed and assessed, is under lease to an automotive firm. The property, leased to Streit Chevrolet, is in two lots, he said, and required fees for two sewer hook-ups have been paid. His property couldn't benefit in any way from an additional sewer line, he said.

Ammons says he has stated his willingness to allow the sewer lines to pass through his property if he did not have to pay part of the installation charges and if he was not assessed for the line.

Ambrose and Ray Lange, board members, will issue diplomas.

Annual highlights of the graduating ceremonies are the special awards given to students outstanding in scholarship and citizenship. Frank Armstrong, of the school board, will present the two citizenship awards; Bert Cosby, also a board member, will announce the winners of the coveted

Boosters Club Gets Bleachers For Graduation

The parents and friends of the June graduates at Mt. Miguel High School can thank the Mt. Miguel Adult Boosters Club for the bleacher seats they will be using.

Coach Thomas A. Welbaum and several of his athletes from the high school, using a truck rented with Booster Club funds, made many trips to Westgate Park gathering these bleachers, which will be assembled and used for the graduation ceremonies.

Boosters Club also is sponsoring another project . . . this time for the benefit of the Mt. Miguel High School Library which is in need of books, magazines and any type of audio-visual equipment. They will ask all donations be brought to the high school gym. Needed are phonographs (any speed), radios, film or film strip projectors, and tape recorders. For example, 75 teachers have but two radios for school use. Repairs, if not of a major type, will be made by the high school students.

'BELL RINGERS' TO TOLL TUESDAY FOR MENTAL HEALTH EVENT

Next Tuesday night a brigade of volunteer "Bell Ringers," more than 6,000 strong, will call on friends and neighbors in greater San Diego, to help fight against mental illness—the nation's Number 1 health problem, according to Melvin L. Murphy, executive director of the San Diego Mental Health Association.

Housewives, mothers, fathers, teenagers and grandparents will hit the streets on Tuesday evening, June 16, in a gigantic citizens' movement to "liberate" the mentally ill by enlisting memberships in the San Diego Mental Health Association.

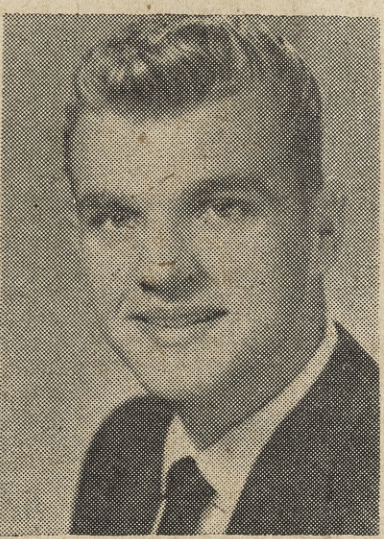

The term "Bell Ringer" comes from the huge mental health "liberty" bell, made from shackles which once bound mentally ill patients.

"For most San Diegans, this will be the first real opportunity to do something to wipe out a problem that affects one in every ten Americans," Murphy said.

The San Diego Mental Health Association is a voluntary citizens movement dedicated to improving the care and treatment of the mentally ill. Its offices are located at 104 Quince St.

Dance Recital To Help Raise 'Adobe' Funds

The annual dance recital of the Eskridge School of Dance will be held June 17-18, in the Spring Valley Elementary School auditorium, 7:30 to 9:30 p.m. Admission will be 50 cents for adults and 25 cents for children 13 through 16 years of age.

There will be a different show each night. As a special attraction the first night, the Bancroft Elementary School choir, directed by Jack MacGilvery, will present songs from the Broadway hit, "Oklahoma."

All the children in the recital are from the Spring Valley-Lemon Grove area, and their ages range from 2½ years to 16. They will also appear at the Del Mar Fair, opening day, June 26, and will be seen on the stage of the Community Theatre.

Proceeds from the Spring Valley recital, which is being sponsored by the Spring Valley Chamber of Commerce and directed by Mrs. G. V. (Jean) Eskridge, will go into the C of C's old adobe building fund. Last year the recital netted \$135, which also went into the adobe building fund. 7000 Copies Lemon Grove Directory Now Coming Off Press

To those who are waiting for the Lemon Grove Directory, it comes as good news that this directory is in its final stage of printing. Next week it is scheduled to go to the bindery and, as soon as they release it, will be delivered personally to each and every address in Lemon Grove. Advertisers will receive their copies first.

The Lemon Grove directory becomes annual from the time it is delivered, so that Lemon Grove residents will receive not only this edition, but on every year at about this time. It has been the experience of directory publishers that it is very much to the public's advantage to receive a mid-year up-to-date guide at a time when all others have become dated.

The directory contains names, addresses and telephone numbers of local residents, all information taken by direct canvass. Checks at a very late date showed that houses in January were filled with newcomers—all of whom are included. Area covered included Lemon Grove south to Jamacha Road, Brookside Subdivision and Vista-La Mesa north to Pearson Street. Within these boundaries people are largely Lemon Grove-centered in terms of interests and shopping.

Lemon Grove has a greater population than anticipated resulting in more directories. This, in turn presented more work in terms of printing and compiling. A first edition always involves more time than any of those that follow, because in the future there is a pattern and the entire production can be scheduled more closely.

With one directory given free to every home this directory becomes a vital service to Lemon Grove area.

'PINK LADY' WEEK SET FOR JULY BY LOCAL HOSPITAL GROUP

Mrs. Von N. Marshall will begin her second year as president of the Grossmont Hospital Auxiliary when she presides at the 9:30 a.m. board meeting Friday in the home of Mrs. Elmer Drew, 8660 Sunrise Lane, La Mesa.

Plans for the Hospital Auxiliary Council project of "Pink Lady Week", July 20 to 25, will be discussed. Mrs. Robert Justice is Grossmont chairman, and Mrs. Mearl L. Baker is general chairman for the council.

Purpose of Pink Lady Week is to publicize the auxiliary service. Courtesy clerks will greet customers, assist with sales, and answer questions about their organization. Mrs. Justice reports that volunteers will work four-hour shifts from opening to closing time in one downtown department store and stores in La Mesa and Lemon Grove. Spring Valley will be covered by member auxiliaries of the council.

Mrs. L. O. Jensen, director of volunteers, is completing summer schedules for in-hospital work

and invites members with free time to contact her.

Mrs. R. J. McMahon has been appointed chairman of the youth group educational hospital tours.

Area Real Estate Sales Hold Firm

Spring Valley, Lemon Grove and La Mesa real estate sales totaled 343 for the month of May, according to statistics in Trends, monthly real estate publication of Union Title Insurance Company. The figure shows a decrease of two sales from April's statistics, but a real nice climb from the 236 recorded in May last year.

James C. Downs Jr., a real estate economist who is editor of Trends, says "real estate volume in May exceeded the transactions of the same month in 1958 by a fantastic 51.3 percent. Not since August, 1956 had more sales been executed. San Diego's measure of superiority is evident by the fact that the national gain for this same period was 23.1 percent and that of the Pacific West was 32.6 percent. Activity factors in San Diego County continue to outpace other regions with its May statistics for the most part surpassing all records established previously in any like month."

Services Held For Local Pilot

Memorial services for Marine Capt. Joseph F. Mayfield Jr. were held at Ft. Rosecrans cemetery June 2, following his death May 27. Capt. Mayfield, the son of Mr. and Mrs. Joseph Mayfield of 3130 South Bonita St., Spring Valley, crashed in his jet plane at El Toro Marine base while attempting to land at midnight. Besides his parents, he leaves a wife and three children.

Graber Hitting .303 For Padres

Rod Graber, sensationally-fielding centerfielder for the San Diego Padres, has his eyes on a berth in the Pacific Coast League All-Star game at Westgate Park July 20, and at the clip he's going he will get it.

Graber batted .301 for the Padres last season, but this year he's doing even better. Through last Sunday he was the team's leading batter at .303, leading in hits and also in runs scored.

The fleet flyhawk had 66 hits, of which seven were doubles and three triples. He had tallied 26 times.

Following the completion of a 16-game home stand Sunday, the Padres will hit the road for two weeks, visiting Spokane, Portland, Seattle and Vancouver before returning here June 30.

The Padres have been strengthened for the road trip by Rudy Regalado's return to first base.

Uncle Billy, Aunt Bessie Fete 60th Year Together

By Tommy Thomas

Mr. and Mrs. William Buby of 1205 Sweetwater Ave., Spring Valley, celebrated their 60th wedding anniversary Monday. To their many friends around the county they are known as Uncle Billy and Aunt Bessie.

They were married in Burnside, Mich. In those early days when "Uncle Billy" was courting "Aunt Bessie" he had to ride 15 miles from Burnside to her home in Carsonville on his bicycle. He said that one time the fog rolled in so heavy that he had to push his bike all the way home.

At that time and for quite a while after they were married Uncle Billy Buby and his folks operated a farm, and it was his chore to milk the many cows. His father was a carpenter, and to that trade Billy eventually settled down.

The Bubys moved to Colorado in 1909. In 1913 the family moved on were the Sweetwater Union High School and Billy went to work on the San Diego exposition building, the exposition opening in 1915. They moved to Spring Valley in 1941. Other large buildings Uncle Billy worked on were the Sweetwater Union High School, the Grossmont High School and several store buildings in El Cajon.

Five children have blessed the Buby household, one boy passing away some time ago. He was Alvin Buby, who had been a manual training teacher at Sweetwater High School for 24 years. The rest of the children are: Miss Daisy Buby, a registered nurse who has done missionary work in Mexico, Puerto Rico and Peru (she now cares for her parents who are bed-fast); Nelson Buby, a San Diego architect; Mrs. Elva Jane Osborne of Spring Valley; and W. C. Buby of Tulsa, Okla., a Douglas Aircraft foreman. There are 14 grandchildren and 26 great grandchildren. "Uncle Billy" is 86, and "Aunt Bessie" is 83.

He dropped a hand power saw on his left knee last Friday while the saw was still running.

Hospital officials said that the resulting deep cut had been "repaired."

WOMAN INJURED IN SV CRACKUP

Mrs. Donna Kraft, 33, of La Mesa was slightly injured Wednesday morning when her car rolled over after hitting a pickup truck at the intersection of Bancroft and Olive drives in Spring Valley, the California Highway Patrol said.

LET US ALL PRAY TOGETHER AS A FAMILY

SOME ONE TO CALL UPON

In this day when we are so tested and tried, when sin is so rampant we need some one upon whom we can call and know that we shall find help.

Here is one of God's rich promises: "Call upon Me, and I will answer thee, and show thee great and mighty things which thou knowest not."

Experience has shown that those who have called upon the Lord have had their lives enriched by the very testing that might have ruined their lives had they not called upon the Lord.

God's faithfulness assures us that He will answer and go beyond anything that we might expect.

Methodists To Hold Re-Marriage Event

Marriage vows again will be recited by the members of the Lemon Grove Methodist Church Sunday, according to the Rev. Don Cooke, minister of the church. In this unique service, the minister will read the entire ceremony for those wishing to renew their vows as they stand before the altar of the church for a "second time".

The significance of this ceremony is highlighted by the fact that national statistics show that while one in four marriages is ending in divorce, the rate is only one in 70 among those related to the Church. Taking again the vows of marriage within the church tends to strengthen the foundations of marriage and family life, Rev. Cooke said.

Rev. Cooke will give a brief meditation entitled "I Take Thee" on the vows preceding the ceremony. Then, following the ceremony, the entire congregation will share in Holy Communion symbolizing the togetherness with Christ and with one another in the family of the Church.

The Lemon Grove Methodist Church is located at 3205 Washington St. Services are at 8:30 and 11:00 a.m.

Christian Scientists Install New President

Deeper understanding of spiritual resources is vitally needed to meet the sharp challenges of our times, is the major theme of the Annual Meeting of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts, this week. About 7,500 Christian Scientists from many parts of the world are attending.

Spiritual, not material, power holds a practical answer to the many social, political, and international problems perplexing humanity, the large gathering was told.

A special message from The Christian Science Board of Directors to the members said that today's growing interest in spiritual values presents a "special challenge—the challenge to represent these great values still more fully to mankind through our demonstration of them."

Named President of The Mother Church for the coming year was Kathryn P. Cook of Boston, Mass. A public practitioner of Christian Science healing for more than twenty years, Mrs. Cook succeeds Leonard T. Carney, retiring president, who is also a member of the Board of Trustees of The Christian Science Publishing Society.

Thursday of this week will mark the close of the regular meetings of the Girls' Missionary guilds. During July and August different types of meetings will be held every week. Outings and picnics are being planned.

The Men's Fellowship held a hamburger fry Saturday to continue plans for the planning and landscaping of the new church grounds. Rev. Anderson reports the new church building is progressing and he and his congregation appreciate the interest being shown in the program.

Jehovah's Witnesses Assembly Attracts 22,616 Members

Edgar A. Flinn, presiding minister for Jehovah's Witnesses in Lemon Grove and Spring Valley, has just returned from attending the Awake Ministers District Assembly of Jehovah's Witnesses held at Del Mar Fairgrounds, San Diego.

Delegates from 180 Southern California congregations were represented at the four-day gathering which attracted 22,615 members. This was the first of a series of 34 conventions which will be held in North America and England throughout the summer months.

The program, sponsored by the Watchtower Bible and Tract Society, featured speakers from the Society's world headquarters in Brooklyn, New York, and other ministers in the Southland. Each day of the assembly was devoted to a variety of talks, group presentations and discussions of Scriptural topics, designed to train the assembled delegates for an effective preaching campaign.

Climaxing the four-day event was the public Bible talk Sunday. Howard M. Hilborn from New York spoke on the subject, "When God Speaks Peace to All Nations." Among other things, Hilborn said, "Christendom has not proved itself to be the basis for world peace. Therefore let all peace-loving peoples of earth be notified that it is through His foretold 'Prince of Peace' that the zeal of Jehovah of hosts will carry out Isaiah's prophecy."

Taxes, Population Rise To Continue, Speaker Tells Men's Club Here

"If you want to cut taxes you've got to cut at the point of spending," Dr. J. C. McClintick told the Lemon Grove Men's Club Friday.

Dr. McClintick is a professor of political science with San Diego State College's Department of Economics.

He said cutting at the national level posed the problem of what to cut "because 75 percent of the budget is for defense."

People are coming into California at the record rate of a half-million a year, he pointed out. To be consistent, the state must provide a record budget to meet their needs, he said.

It doesn't necessarily follow that more people mean higher state taxes. The obvious answer is to cut spending if taxes are to be reduced, he said.

State population growth is here to stay, he said. In 1985 it is estimated that the population will have doubled its present size to 28 million. In 2020, just 60 years from now, it will have quadrupled to 56 million persons, he said.

All of these people will demand services and we will have to

supply the money to pay the bill, he concluded.

The speaker next week will be Mayor Walter F. Hodges of National City. Mayor Hodges will discuss the shopping center impact on the business community by the South Bay Shopping Center, according to Jesse E. Lee, Men's Club president.

The club meets every Friday at noon at Michael's.

Tax Group To March On Supervisors

Members of the Lemon Grove Taxpayers Association will attend the County Board of Supervisors' meeting in mass Wednesday to protest the new, higher valuations put on local property by the County Assessor's office.

The Assessor's office completed a re-appraisal program in the Lemon Grove school district in April.

M. F. Lear, Association president, said he will encourage all of the membership to be present. Two prior meetings of the organization held in Lemon Grove each attracted approximately 100 persons.

Lear said the next local meeting of the Association will be July 13. Application has been made for the use of the junior high school auditorium for the meeting.

DOROTHY DIGS in the garden

I sometimes gather material for my columns from the things reliable gardeners tell me. This morning a prominent entomologist, whose reports of the tests he makes on insect life are accepted by Agricultural Departments in many states, told me enthusiastically:

"From now on, my spring and summer spray for Glads will be a product containing Malathion and Dieldrin. I sprayed my Glads just twice this spring with this product and they are absolutely clean and free from thrips for the first time. Of course, I always dip my bulbs prior to planting and I always start my spray program early but, in spite of that, I've never been entirely free from thrips before." This kind of information I like to pass on to my readers.

Both Malathion and Dieldrin are well-known insecticides. Buy a product that successfully combines the two. This kills most insects, both sucking and chewing species, without harming the plant, and makes an excellent all-summer spray. And it protects Glads from their worst enemies, thrips.

Also Ruth P. Noe, 10385 Loma Rancho Dr.; Merrill M. Reeder, 2841 Highlands Blvd., and Lola W. Schill, 3377 Crest Drive.

Music Parents' Trip Ends on Happy Note

A recent Hollywood tour sponsored by the Lemon Grove Music Parents Club ended on a good note with everything in tune when the participants brought back to the organization more than the trip donation profits.

Mrs. H. W. Lawler, ways and means chairman who arranged the bus trip for 74 Lemon Grove residents, received a portable television set, gift of Lee Gerioux. She appeared on his program last Friday as part of the all-day excursion to raise money for the local music students' activities.

Mrs. Lawler announced that the set would be used in a fund-raising activity of the group later in the year to increase the uniform fund.

Several members of the tour appeared also on the Lee Gerioux Show and on the program, "It Could Be You." Other points of interest visited by the tourists included the Sophia Greek Cathedral.

GIRL SCOUT CAMP-NAMING CONTEST TO BE DECIDED

Official announcement of the name of the Camp Fire Girls camp site in Balboa Park will be made at a ceremony planned for June 13 at 1:30 p.m., according to Mrs. Robert J. Sullivan, San Diego County Council president.

The camp, located on Balboa Drive between Quince and Upas, has been unnamed since the lease from the City of San Diego went into effect November, 1957. A contest among Camp Fire groups in San Diego County to suggest a name for the site was held early this year, with the winner to be announced Saturday.

Mrs. Sullivan will unveil a plaque at the base of a new flag pole to reveal the name of the camp and the names of the members of the group which submitted it.

Dr. Elliott G. Colby, chairman of the Camp Fire Girls Balboa Park Development committee, will exhibit plans for proposed buildings and camping facilities on the site, and tours of the beautiful seven-acre wooded area will be conducted.

WHAT'S DOING

Dick Rose, your Telephone Manager in La Mesa

With more and more cars on the road, safe driving is a big part of any telephone man's job. Take our telephone installers for example. Each installer takes a special course in "defensive driving" before he gets behind the wheel of any telephone company car or truck. And to make sure he doesn't forget the things he's learned, he takes a check-up ride periodically, and a complete driving test every 2 years. What's more, he even has his eyes tested every 3 years. Other telephone people who drive company cars also get training in "defensive driving." This extra care helps us to be better drivers and do our part to make the street safer for everyone. And we believe we serve you best when we serve you safely.

SCHOOL'S OUT SOON

In two weeks thousands of students will be on summer vacation. It will mean hikes, bicycling, walks, baseball, and all the other things all of us fondly remember.

It also means added responsibility for all of us who drive. Responsibility to do our "defensive driving" best to insure their return to school in September.

In this world of ours today, we can't afford to waste one student. Let them all enjoy the education they so richly deserve.

'Twilight Matinee' Seen For La Jolla Playhouse Productions

The La Jolla Playhouse will inaugurate a "twilight matinee" this year.

Miss Anna Lee, producer of the 1959 season, said "twilight matinees" would be held each Saturday during the season at 6 p.m. instead of the usual 2:30 p.m. The new idea originated in England but is proving popular in the United States. It should be particularly popular with vacationers and beach-lovers in the San Diego area.

The season starts in La Jolla June 29.

Square Dance News

PROMENADERS
Bob and Ethel Croft of Niblick Dr., Brookside, have been named Heartland representatives from the Promenaders square dance club.

Frank Dyson was club caller for the club at its June 3 dance at the SV Chamber of Commerce hall. He was assisted by guest caller Al Ridel. Hosts and hostesses were John and Mary Herman and Bob and Marilyn Fisher.

The guest list included Frank Slader, vice president of the Heartland association, Arvid and Pauline Peterson, Boyce and Frances Peters and Bud and Frances Emmerling of the Rainbow Squares, who are the Heartland "couple of the month."

Preparations are under way for a new beginners' class to start around July 13. The place and exact date will be announced later. Anyone wanting information on this, call CO 4-4963.

The club's next affair will be on June 13 with elections held before the dance at Spring Valley Junior High. Members should try to be there by 7 to participate in the voting.

Don't forget the annual picnic at El Monte Park on June 14.

COUNTRY COUSINS
The Country Cousins nomination of officers was held Saturday. The nominating committee presented to the membership a formidable group of candidates. Election of officers will take place later this month.

The topic of conversation is, and probably will be for quite some time, our bus trip to Lynwood. We were treated royally by those friendly "Legion Squares" and we had a most wonderful time.

There will be three party nights at the Country Cousins this month; the 13th, 20th and 27th.

Come on out and join the fun at La Mesa Junior High School.

MERRY WHIRLERS
A good turnout was reported at the Merry Whirlers' potluck supper Friday night. The event was held in the La Mesa Dale Elementary School. Bob and Frances Emmerling, Heartland "Couple of the Month" from the Rainbow Squares, were present for the dinner and dance.

The Merry Whirlers will host the Promenaders and the Huff 'N' Puffers at a dance Friday of this week.

Coming events of the Merry Whirlers are nomination of officers, June 19, and the family picnic, July 19, at Lindo Lake Park, Lakeside.

Caller Ron East has returned from a convention in Colorado and has many new dance steps to offer.

Civics Students Quiz Lawyer About U.S. Law

Civics students in Louis P. luzzi's 8-5 class at Lemon Grove Junior High School interviewed Attorney Andrew H. Reyberger, local attorney, last week during a study of the U. S. Constitution. Reyberger, who lives at 8118 Baldwin Rd., visited the class prior to the final examination required by California law of all eighth grade students.

The class, well versed in the Constitution and its interpretations, discussed with Attorney Reyberger the reasons for jury duty, the use of taped conversations as evidence in court, and the rights of those accused. They also asked about citizens being tried for treason during peacetime, and the difference between treason and espionage.

Port Ship-Call Record Broken

All ship-call records were broken during May at the Port of San Diego when 53 vessels called here. This compares to 27 ship calls during May 1958 and brings to 386 the total for the 11 months of the 1958-59 fiscal year.

June started in record style with the arrival of the Federal Voyager from West Germany with a cargo of 6,000 tons of steel billets. This is the first shipment of this kind through the port. The steel is consigned to Aceros Del Norte, a steel mill in Mexicali. The billets will be used in the fabrication of steel reinforcing bar at the mill.

Lumber continues to head the list of inbound tonnage items. For the 11 months of this fiscal year more than 129,000,000 board feet of lumber have crossed the docks. This compares to the 105,000,000 board feet received for the entire fiscal year.

The increase in inbound freight has balanced out the sharp reduction in the shipment of cotton overseas.

Del Mar Fair Set To Present Show For Youngsters

The Don Diego Varieties which will be a feature at the Southern California Exposition and San Diego County Fair, June 26-July 5 in Del Mar, will be an all-star revue of canine fashions, marionettes, acrobats, comedians and a magician. It will be presented three times daily on the stage west of the Mission Tower building.

The headliners will be the Lynons, featuring Jamie, a juvenile actor, sensation; Kirkham, master of magic; Bob Baker's marionettes, West and Maza's comical band and Betty Willis' canine fashion show.

There is no extra charge for the miniature production, especially created for youngsters. The single admission at the front gate entitles fairgoers to free entertainment on the inside.

Downtown YMCA Enrolling Boys

Boys, ages 8 to 14 years, are now enrolling in the summer vacation program at the Downtown YMCA at 8th and "C" Streets, San Diego.

For 10 weeks, June 22 to August 28, boys may attend for two, three or five days a week. The hours are 8:30 a.m. to 4:30 p.m. The cost for 10 weeks ranges from \$12 for two days a week to \$65 for five days a week. The hours and days can be tailored to meet most family schedules.

Activities include swimming and athletic instruction, crafts, games, movies and a trip and excursion program. Trips are scheduled for fishing, swimming, the county fair, and visits to Naval and Marine bases, mountain parks, businesses and history.
